

Status not displaying

Version 4.0

After running a query in Research, All Catalogs, and clicking on View Selected Catalog Records, the Status field does not display. This can also occur in the other Research areas and is a result of having separate authority files for the Status field of each catalog. Run the query within a catalog to view the Status field.

If you have any questions, please contact our Support Office at 1-800-562-6080 or email support@museumsoftware.com. Thank you for using PastPerfect!
